Fire engine

HE to renew alcohol licence for specific event (£21)

### Raffle

This was a major success last time so we need to start approaching people for donations so as to get the tickets printed up as we did last time.

Post on Facebook or put a flyer in the book bags stressing how important the raffle is to the fundraising and asking parents to think if they are able to donate anything or if they have any contacts they could approach.

Sarah Newman has good relationships with many local businesses and can approach them.

Other ideas for donations:

Air Hop/Flip Out
