7 September 2016

Dear parents and carers,

### School Swimming Lessons

We are pleased to offer swimming lessons to the year 4 children across the year. This is an exciting opportunity for them to continue to make progress with their swimming techniques from the previous year.

The lessons will take place at Winterbourne International Academy on alternate Monday and Thursday mornings, commencing Thursday 15<sup>th</sup> September 2016. On a Monday I will meet **the class at the pool for 8.30am**. I will walk with any children who are in breakfast club. Thursday's lessons begin at 9.45am, so pupils will come to school as normal.

South Gloucestershire regulations require that all jewellery is removed before entering the pool and that boys wear trunks or suitable swimming shorts and girls wear one-piece costumes. Long hair should be tied back and swimming caps may be worn. This is particularly true as the colder weather approaches. Children might like to bring their own goggles but when carrying out skills work, they may be required to swim without them.

We thank you in advance for supporting our school in making sure that your child has a swimming kit every week.

Many thanks,

Mrs Waller
