Whole School Arts Term – June and July 2017

Dear parents/guardians,

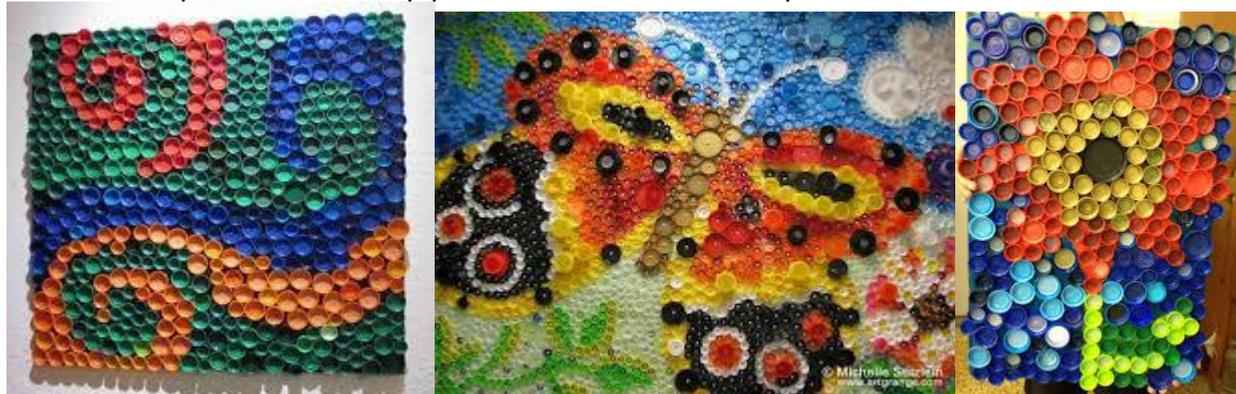

After half term the whole school are going to be exploring 'The Arts' as a topic in June and July. The focus will be craftmakers for Art and live music performances in Music. We are hoping for support from family members and even the community in coming into school and showing the children their talents. If you know anyone in your family or a talented friend that could share their craftmaking talents in possibly: scrapbooking, crochet, cross stitch, applique, knitting, jewellery, craft modelling, woodwork etc and would be able to show some of their work and possibly talk about how to make a similar craft that would be amazing.

Alternatively for music, we are looking for a band, orchestra, choir, vocalists, instrumentalists etc that would be willing to perform to the children then we would really appreciate their time.

Please don't be shy in offering your support as children can be the best audience and your talents could really inspire them to create something similar and spectacular.

As you are aware we have been collecting plastic bottle tops for a while now and I'd like thank everyone that has been sending them in. We have quite a few green and red milk bottle lids but we're still in need of other colours: orange, black, silver, yellow, pink, blue etc. One idea is to do the school logo in bottle tops, so we need more light green, white and light blue bottle tops. There is a collection in the main foyer for your child to send in their bottle tops.

Here's some photos of bottletop pictures similar to what we plan to create:

Thank you for your continued support,
Mrs Ithier

Arts Term

Name of child: _____ Year: _____

Name of Adult: _____ Relationship to child: _____

Craftmaking or Music talent that you would be willing to share: _____
