

The Magical World of Books!

Year 1 Summer Terms 2019

This term we will be finishing off our learning about Brunel and recapping some of our learning about the United Kingdom.

After half term we are exploring the magical world of books! In the infants we will be learning about fairytales. In Year 1 we will be focusing on giant stories.

We will be learning songs, writing giant stories, having a fairytale school morning and making giant art.

Phonics

This term we recap everything we have learned this year ahead of the Year 1 Phonics Check. The Check will be taking place during the week beginning 10th June. If you have any questions about the check please come and talk to me.

Reading

Lots of you are doing a fantastic job with the reading at home. Please keep trying to read a minimum of four times a week. You really see the difference in the children's progress at school.

Writing

In writing this term we will be focusing on punctuating our sentences correctly. After half term we will be looking at different fairytales involving giants.

Maths

In maths we will be telling the time, measuring time and practising our number

and calculation skills. This will include some 'giant' maths problems.

Science and DT

This term we will be learning about healthy eating and different materials. We will be designing our own fairytale fruit salads.

PE

This term Year 1 will be having athletics on Wednesdays and forest schools on Fridays. We will be outside on the field as much as possible for athletics so please make sure your child has an appropriate PE kit and footwear.

Homework

Reading books will be changed on Mondays and the pencil case words will be tested on Tuesdays. Maths and spelling sheets will be coming home in book bags.

A big thank you to all of you who kindly give up your own time to read with the children in our class.

If anyone else can support our class reading in the afternoons please get in touch!

Thank you for all your support.

Mr Bailey
