

Term 1 in Year 2

This half term we will be travelling through space! We will be learning about the first lunar landing and the astronauts that venture into space. We will be creating space inspired artwork and using the book 'Toys in Space' as a writing stimulus.

Writing	Adventure stories, character descriptions, poetry, instructions
Reading	Fluency and vocabulary
Maths	Place value, number bonds, counting in steps of 2, 5, 3 and 10, addition and subtraction
Art & Design	Space art
Science	Animals including humans
History	Neil Armstrong, space exploration, timelines
Computing	e-safety
Jigsaw (PSHE)	Being me in my world
PE	Ball skills
RE	Who is Jewish and what do they believe?

Reading

Please listen to your child read at home at least 4 times a week. Just 10 minutes of reading a day is invaluable! Although we do not have a whole school reading challenge this term, we will have a class reading incentive. Books will be changed on a **Thursday**. If your child's school book needs changing, they will need to place their reading book and reading record into the box on a Thursday morning.

We are always very grateful for reading support during the afternoons. If you are able to volunteer some of your time to listen to some children read, it would be very much appreciated!

Homework

Homework will consist of spellings to learn and times table rock stars or Doodlemaths. Homework will be set on a Friday and due in on the following Thursday.

PE

Our PE sessions this term are on Mondays and Thursdays, however we ask that kits remain in school all week. Please ensure that your child has a full PE kit for both indoor and outdoor use.

If you have any questions, please don't hesitate to ask.

Thank you for your continuing support,

Miss Marriott
