Dear Parents,

Over this past week, we have had a lot of children off with a sickness and diarrhoea bug. It has affected every year group. To prevent the bugs from being passed on to other children and the staff, may I remind you that your child should not return to school until at least **48 hours** after the last episode of illness as suggested by the NHS website.

We have been reminding the children to wash their hands regularly to prevent the spread of germs and have also deep cleaned the school twice this week.

Thank you for your support in this matter.

Yours sincerely,
