Dear Parents,

Across the year the government collect information about our schools which we are legally obliged to submit.

Our next Census day is January 16th 2020 and determines our funding for the year relating to how many infant meals are taken on the day. Last year, a lot of infant children did not order a meal and we lost out on thousands of pounds. To make sure that this doesn't happen again, for this day only, we are going to have an opt-out policy whereby we will assume everyone is having a meal unless you tell us otherwise. The office can do this for you if you are not used to doing this online. If your child does not like the menu on offer, then you can still send your child with a packed lunch **as well as** ordering the lunchtime option – as long as a plate is taken, we receive money!

Please complete the form below only if you wish to opt out and want the school to receive **less** funding.

Thanks for your support with this, I am sure that you will all be in agreement that the more funding we receive, the better for our children!

Yours sincerely,

I do not wish for my child to have a school lunch on January 16th and understand that the school will receive less funding.
