Dear Parents,

Following our review with the governors, we are now able to open to Year 1 as of Monday 8<sup>th</sup> June for those parents who requested places. If your child is not on our list, I am afraid that you will be turned away as we have **no additional capacity** to take any extra children who turn up on the day. A letter regarding the opening arrangements will be sent separately to parents of children with a confirmed space in the Year 1 bubble.

We understand that many parents are now returning to work, but we still only remain open for the children of keyworkers, Reception and now Year 1. We require proof of your keyworker status from your employer that your role is critical to the Covid-19 response.

For any new/additional places, we require 7 days' notice and the place will be considered at our weekly review. This will not guarantee a place as, currently, all of our bubbles are full, therefore any new additions will be added to a waiting list.

Current keyworker parents **MUST** continue to complete the fortnightly request forms or you risk losing your place.

Many children present as asymptomatic with Covid-19 and can spread the virus unknowingly. We therefore ask that you take your child's temperature each morning before coming to school. If your child's temperature is raised then they **must not** come into school. This is to protect the staff and other children in the school.

Thank you to everyone who has followed the new staggered arrangements for drop off and collection times, it has eased any congestion that there may have been.

#### **Drop-off and collection**

8:45/3:00 – Children's surnames A-H

8:55/3:10 – Children's surnames I-M

9:05/3:20 – Children's surnames N-Z

Many thanks for your co-operation in these new arrangements.

Yours sincerely,
