Dear Parents,

As you are aware, the government are keen for schools to open more widely in a phased way. Our next phase would be to open to Year 1 children, as yet we do not have a confirmed date but it could be Monday 8th or Monday 15th June. A reminder that we would open on Monday, Tuesday, Thursday and Friday. We would be closed on Wednesdays to allow for extra cleaning. This is a decision that we will make with governors on Thursday. As part of the planning, we now need to know your decision as to whether your child will be starting back to school if we were to open to Year 1. We can then make sure that we have the correct staffing and will allocate places. If you are able to complete the form below by following the link as soon as possible I would be most grateful. This has to be completed no later than Wednesday 3rd June at 10am. Please can you all complete the form, a previous form that you filled in was just a record of interest to help us with previous planning. We will not be accepting any responses after that time so your child will not have a place. If there are any changes in circumstances further into the term, we have to be given 7 days' notice. If there is no place available, they will go onto a waiting list. Unfortunately, we will not be able to accept any children in school on the day unless they are on our list.

Once the review has taken place, we will let you know, this is likely to be Friday 5th June.

Thank you for your support in this matter.

Yours sincerely
