Dear Parents,

You will notice that there is an increase in the Milk bill this term and I feel that I need to explain why.

Historically, we have billed the same amount for each term regardless of the number of weeks in that term. Some can be as long as 8 weeks and others as short as 5. Last year milk increased in price - we decided not to pass on this cost to parents at the time, but we are now running at quite a loss and therefore have had to increase the price.

The new bill each term will be based upon the number of weeks at a charge of 30p per carton.

Yours sincerely
