

Term 2 in Year 2

Welcome back! I hope you all had a great half term break and the children are ready for another busy term in year 2. We will be continuing with our Protecting Planet Earth topic this term and will use all of the knowledge that we have acquired to answer the question, 'why are sharks so precious?'

This term's subject focus...

English	Diary recount, non-chronological report
Maths	Addition and subtraction, multiplication and division, money
Science	Living things and their habitats
Music	Tempo
Jigsaw (PSHE)	Celebrating difference
PE	Gymnastics
RE	Why does Christmas matter?
DT	Moving picture books
Computing	Data handling

Reading

Please listen to your child read at home **at least 4 times a week**. Please remember to write in your child's reading record to indicate when they have read to you. The children now have reading rainbows in their yellow reading record. As they complete each colour of the rainbow, they will earn small prizes and certificates. Books will be changed on a **Monday**.

Homework

Homework will be set on a **Monday** via **Google Classroom**. This will consist of spellings to learn and times tables practise on Times Tables Rockstars. The children will be tested on their spellings on a **Friday**.

PE

Our PE sessions this term will be on **Wednesdays**. This year we are asking the children to come into school in their PE kits.

If you have any questions or queries, please do contact me via email: amy.marriott3@stmichaelswinterbourne.co.uk

Thank you for your continued support,

Miss Marriott
