

Thank you to all the staff for the tremendous effort put in over the last 9 months, particularly during lockdown. The joy I witnessed on my children's faces at their class video calls is something I will never forget! Thank you also for pulling together to make the then Year 6s end of school as memorable as possible, when they felt such disappointment from not being able to have the same experiences as previous years.

Finally, thank you to Mrs Robson - you have shown such overwhelming kindness to the children and school community in the face of adversity.

In the words of Henry James 'Three things in human life are important. The first is to be kind. The second is to be kind. The third is to be kind'

Merry Christmas to you all!

Thank you all for the amazing effort you put in everyday to make the children's school experience so happy. I have been so pleased at the help and care you provide no matter what. This has been such a difficult time for so many and you have all shone out like a shining beacon in the dark.

What a year it has been, but how thankful we have been that we have been part of the wonderful St Michael's community at this time. We have nothing but respect and appreciation for all of your collective hard work and efforts to adapt and continue to support the children and all of us throughout this difficult time.

Thank you so much for helping our children feel safe and happy during such a strange time. You have been their constant and it is so appreciated

Thank you so much for all your hard work over this difficult time. You are all absolutely

I would like to thank all of the staff, teaching and non teaching, for all that they have done to give the children back some normality in this strange year. The difference in my daughter when she was back in school, seeing her friends and getting back her independence was beautiful to see, and that was all down to the staff at St Michael's! Thank you very much for putting our children first and dealing with whatever has been thrown at you and not letting all the craziness impact on the children at all. All of the work that has gone in behind the scenes is not underestimated and I for one am truly grateful, thank you all very much x

What you've done this year for our children goes above and beyond what any of you signed up for. You're all amazing! Thank you for keeping them (and us) safe and making them feel secure within the normality of school life and its warm familiarity. Thank you for greeting them with smiles each morning that you haven't been able to share with your own family for some time. This year will be etched in everyone's minds and your dedication to our children will be remembered by us all. The stories read to them each day, listened within a lockdown garden. The kind assurances to nerves about starting the juniors. A community still very much wanting to be together. Mrs Hillocks & Mrs Harriman the support, consistency and encouragement you've provided despite all the challenges faced has been phenomenal. You are incredible. Wishing you all the most wonderful Christmas.

Schools are the unsung heroes of this year. Thank you for all the extra hours, the extra care and the extra everything else you've had asked of you this year: we have seen it and we appreciate it so much. Thank you for looking after our children so well.

Dear Mrs. Robson,

I wanted to share with you our thanks and gratitude to your wonderful school. Our son Toby started in reception in September. Prior to him starting I was concerned about how he would settle into school life after lockdown and lack of interaction with his peers. From our initial introduction with the teachers my concerns disappeared. Toby's teachers, Mrs. Wilton, Mrs. Ithier and Mrs. O'Leary have already provided an excellent introduction to education. As a family we are thrilled by his progress.

Wishing you all a merry Christmas and a well deserved break.

Best wishes,

Chantelle and Adam Simper

From those early shut down days, through a strange and quiet summer with a few key worker children, to planning and supporting home schooling, to class bubbles and self isolating, and the ever changing government guidance! Such a challenge to manage, guide and lead everyone through. Despite all of this, and how you must have all been feeling personally, we've continued to be met with welcoming smiles, friendly faces and reassuring words.

My children have remained aware but calm, and have continued to enjoy all that the school offers them. Our sincere thanks to all of the school team for all that you have, and continue to do, to keep everyone going and provide such a caring school community for us. We hope you all have a much deserved, restful and relaxing Christmas break.

A huge thanks to all of you teaching and support staff who enabled the children to have some normality during a challenging and scary time. Allowing the keyworker children to continue to come to school was a huge support to us -and I appreciate the extra work that went into supporting those still at school alongside those who were home learning. Sending my son to St Michael's was one of the best choices I have ever made. The school feels like an extension of family. Here's to a better new year. Thank you
