## **Mosaic Partnership Trust consultation on the proposed admission arrangements for September 2026**

### **School Admission Arrangements**

Admission Arrangements outline how school places will be allocated at each school setting. This includes the school's over-subscription criteria which is used when schools receive more applications than places available.

For all Mosaic Partnership Trust schools, arrangements are determined by the Mosaic Partnership Trust. For all other schools this is the responsibility of the individual school, Academy Trust or Local Authority.

We are consulting on our proposed arrangements for all twelve Mosaic Partnership Trust Schools in Wiltshire and South Gloucestershire for 2026/2027 academic year as listed below.

Barrs Court Primary School	South Gloucestershire
Box CE Primary School	Wiltshire
Broadway Infant School	South Gloucestershire
Gillingstool Primary School	South Gloucestershire
Neston Primary School	Wiltshire
Parkwall Primary School	South Gloucestershire
Raysfield Primary School	South Gloucestershire
Redfield Edge Primary School	South Gloucestershire
St Michael's CE Primary School, Winterbourne	South Gloucestershire
St Stephen's CE Junior School	South Gloucestershire
The Park Primary School	South Gloucestershire
The Ridge Primary School	South Gloucestershire

Our draft admissions arrangements are outlined in the following document: [MPT Admissions Arrangements](#) which is the document we are consulting on.

Our consultation period starts on **05 November 2024** and concludes on **16 December 2024**. Once the consultation period has ended the arrangements will be determined by the Trust.
