

Home Learning Ideas

What can you do when you aren't at school and have to stay at home? Here are some fun learning ideas to choose from.

<p>1 Get reading! Get comfy, choose a good book and lose yourself to a new world. Or look up new information. What would you like most to learn about?</p> 	<p>2 Draw a view! Look out of a window in your home. What can you see? Try looking very closely at an object and drawing every detail.</p> 	<p>3 Write a postcard Write a postcard to your teacher and your friends. Can you tell them what you like most about them and their company?</p>	<p>4 Junk model Collect and recycle materials such as yoghurt pots, boxes and empty toilet rolls. What can you create with them?</p>	<p>5 Get sketching Find a photograph or picture of a person, pet, place or object to sketch. Can you use shading?</p> 
<p>6 Celebrate you! Make a list of things that make you happy, a list of things that you are good at and a list of things you are grateful for.</p>	<p>7 Board game Make a homemade board game and play it with your family! Will it have a theme?</p> 	<p>8 Read aloud Read aloud to a person or pet in your family. Remember to use expression and character voices!</p>	<p>9 Write a review Write a review about a book, a film, a television programme or a computer game. Would you recommend it to your friends?</p>	<p>10 Become an inventor Can you design a new gadget that will help people? Draw a picture and write a description of how it works.</p> 
<p>11 Be kind! Pay someone a compliment, make something for them, write something for them or help them with a task!</p>	<p>12 Write a play script Can you act it out to other people? Can you perform more than one character?</p> 	<p>13 Get building You could build a Lego model, a tower of playing cards or anything you can imagine!</p>	<p>14 Create a story bag Collect items in your home that link together. Can you make up or retell a story using the items?</p>	<p>15 Thank a community hero Think of someone that helps you in some way and write a short letter to thank them.</p> 
<p>16 Become a designer Design a future uniform or sport kit. Create a persuasive poster to convince others to buy your wonderful product!</p>	<p>17 Nature diary Look out of the window each day and keep note of what you see: birds, flowers, changes in the weather.</p>	<p>18 Spy code! Create a code using numbers and symbols. Can a family member crack it? What secret messages could you write?</p> 	<p>19 Draw a map Can you draw a map of your home or local area? What symbols could you use for interesting objects or landmarks?</p>	<p>20 Twists and turns. Can you re-write a fairy tale with lots of different twists? Maybe Cinderella stole the glass slipper from her sisters instead!</p>
<p>21 Learn a new skill Learn to tie shoe laces, make your bed, fold your clothes or help adults with peeling and slicing vegetables for your tea!</p>	<p>22 Keep moving Make up a dance routine to your favourite song or create an assault course. Get ready to star jump!</p> 	<p>23 3D shape or fraction hunt KS1 – How many different 3D shapes can you see in your home? KS2 – What fractions can you find?</p>	<p>24 Build a reading den Find somewhere cosy. Use blankets and pillows and snuggle up and read your favourite book.</p> 	<p>25 Electricity sorting What electrical items do you have at home? Create a poster that sorts them. Do they use batteries or mains power?</p>
