Plants

Living things and their habitats

Animals including humans

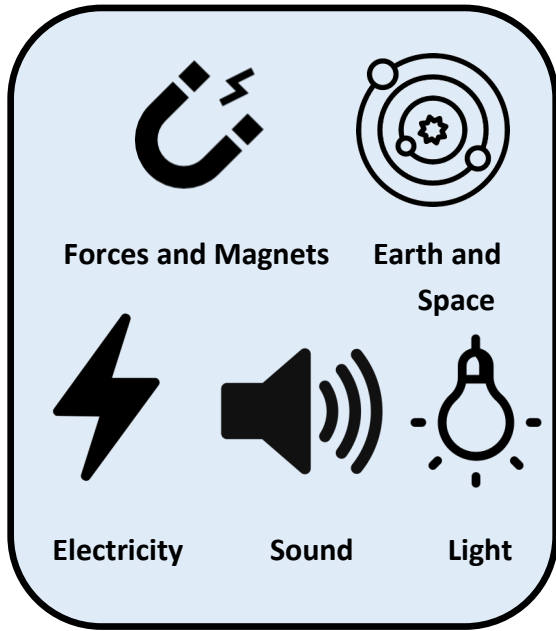

Evolution and inheritance

This legend box contains four categories of biology topics, each with a representative icon: a leaf for plants, a bird's nest for living things and their habitats, a lizard for animals including humans, and a DNA double helix for evolution and inheritance.

St Michael's Science Curriculum Road Map

Physics

A legend box with a light blue background and rounded corners, containing six icons and their corresponding topic names:

- Forces and Magnets**: Icon of a horseshoe magnet.
- Earth and Space**: Icon of a Bohr-style atomic model.
- Electricity**: Icon of a lightning bolt.
- Sound**: Icon of a speaker with sound waves.
- Light**: Icon of a lit lightbulb.
